The only changes to this section VI is the deletion of VP Charter Support and substitution of VP Endorsement and Legislation with job duties.

Todd, Marketing VP has outreach communications as part of the job description.

What job duties does the Engagement VP have in your view?

One suggestion: I suggest the order of the officers in Article V get carried over to Article VI.

Benita

Let me recap the status of the documents as I am aware.

May 19th: George sent out all documents via Dropbox. The Chapter Bylaws and CIR state bylaws have recent changes. The other three may not have had recent changes, however I don't know if Todd and John have commented/cleared them in the past.

We were considering adding an Issues VP - vacant - suggested name - Endorsements and Legislation VP; I think the VP Engagement was for Outreach. I suggest dumping the VP

Chapter Support for now as it was created for me and I am not taking it. It can stay a Committee Function under the VP Admin direction, in my opinion.

My suggested workflow as of today, May 21:

I work up the VP job descriptions for my above suggestions and send them around. If that is agreeable I can have that done by tomorrow.

Receive Todd and John's changes (Track Changes option) on any and all documents. By Sunday morning if possible.

My status: Doing a final review. Estimated time/date for this review: Monday, May 25th if not before.

Aaron/George - please let me know if you are ok with this suggested workflow.

Hi Guys - we are almost out of time.

We do not have two months. We need to be able to call people the first week of June and give them somewhere to go.

A lot of people are unable to visualize or grasp "something that might be". I have at least three units that need me to have something in front of them the first week of June.

you may not realize it - but once we get expelled, it is going to set off a mass exodus. If we do not have the unit transfer kit and the organization by-laws ready to go, we will miss the opportunity with several of them.

Please help.
